Travel and accommodation

EPSU expects affiliated unions to cover the travel and accommodation expenses of their participants. However, European Commission funding means that financial assistance is available for a limited number of delegates (55) from EU Member States and Candidate Countries. Please see the note below explaining this.

A hotel list offering preferential tariffs to EPSU / ETUC is attached.

Travel and Accommodation for participants eligible for financial assistance

The Conference is funded by the European Commission. This allows EPSU to contribute to the travel and accommodation of trade union representatives from EU Member States and Candidate Countries.

The funding enables EPSU to contribute to:

- The travel of participants with a maximum of 350 euros. You are therefore requested to use APEX or cheapest tickets. **In order to be reimbursed, tickets and boarding cards must be kept and sent back to EPSU after the conference with the expense claim (taxi will not be reimbursed).**
- The accommodation of participants up to a maximum of 140 euros per night for a maximum stay of 1 night.

Reimbursed seats are limited to 1 representative of a CEMR member and 1 representative of an EPSU affiliate PER COUNTRY.

Affiliates in the countries concerned are requested to consult each other and nominate their delegate(s). As regards the EPSU affiliates, this contribution is only available to delegates from unions having fulfilled their affiliation obligations towards EPSU as laid out in the paragraphs of section 5 of the EPSU Constitution.
