

Prison unions protest while bosses celebrate

 [Spain](#)

The three prison unions - FeSP-UGT, ACAIP and FSC-CCOO - organised a demonstration in Madrid on 24 September to coincide with an event organised by the prison service management to celebrate their patron saint. The unions highlighted the urgent staff shortages - around 3000 across the service - and the daily attacks against prison workers. They also raised issues such as the lack of negotiations and unilateral decisions by management and the need for pay to properly reflect the demands of the job.
