

# Solidarity with unions' campaign against "slave law"

 [Hungary](#)

EPSU sent a solidarity message to the unions campaigning hard for a major demonstration against the so-called slave law that will reform overtime rules and allow employers to put pressure on workers to work longer hours. The legislation extends maximum overtime hours from 250 to 400 a year and not only allows employers to pay normal rates of pay but also gives them a period of three years over which workers can be compensated.
