

Union to step up childcare campaign

 [Ireland](#)

The SIPTU general union is planning to step up its childcare campaign after the government failed to boost funding in its latest budget. The union highlights low pay and high costs in the sector. Average pay for the 25000 mainly women childcare workers is only EUR 11.18 compared to the living wage of EUR 12.30. SIPTU says the government's failure to invest in the sector means that around one in four workers are leaving each year, raising serious issues of sustainability.
