

EPSU-ETUI collective bargaining seminar

 [Europe](#)

EPSU, with the support of the ETUI trade union education institute, is organising a seminar on collective bargaining on 24-25 May (participants are asked to arrive on the evening of 23 May). The seminar will discuss the implications of economic governance for collective bargaining, will hear how the European Metalworkers Federation has been coordinating collective bargaining and will debate the proposal to set up a permanent collective bargaining network within EPSU.
