

Health workers plan action over pay and staffing

 [U.K.](#)

Both public services union UNISON and the RCN nursing union have voted for strike action in Northern Ireland over low pay and staffing levels. Members of both unions voted 92% in favour of strike action. The RCN's action short of a strike will begin on 3 December building up to a strike on the 18th while UNISON will start its campaign on 25 November, also leading up to a strike on the 18th. The Northern Ireland Public Service Alliance is currently balloting its members on action, again over low pay, and the result will be announced on 25 November.
