Protest over sick leave and social workers strike over pay

Bulgaria

Public service unions joined the national protest on 27 November calling for action to defend and improve sickness absence rules. Under the slogan "sick workers are not criminals" the Podkrepa confederation called for workers to be covered by sick pay from the first day of absence and for a range of other measures on sick leave and working time. Meanwhile on the same day social workers from the administrative services union in Podkrepa took an hour's strike action calling for a 40% pay increase.
