

Unions call for general wage increase as court endorses minimum wage

🇨🇭 [Switzerland](#)

The SGB trade union confederation and the vpod public services union have called for a general wage increase of between 1.5% and 2.0%. But the vpod also highlights the need to address the fall in real pay in the public services as well as the importance of ensuring higher pay for jobs dominated by women. Meanwhile the federal court has thrown out a challenge to a proposed minimum wage in the Neuenberg Canton, opening the way to implementation of an hourly minimum of CHF 20 (€17.50).
