EPSU affiliates in the Czech Republic took part in the national rally organised by the CMKOS confederation calling for an end to cheap labour. The rally marked the latest stage in the campaign begun by CMKOS in 2015 and tying in perfectly with the ETUC pay rise campaign launched in February this year. The confederation says that pay across the country has risen by 10% over the past two years and it is calling for a further increase of 10% for 2018.
