

Waste workers take action over pay, surveillance and safety

 [France](#)  [U.K.](#)

Waste workers in the UK and France are taking or planning industrial action over a wide range of issues. Public and private sector workers in France, organised by the CGT union, are taking action over major demands on pay, pensions and health and safety. Meanwhile, in Hull in North East England workers employed by the FCC multinational are protesting over sick pay and in Thurrock in South East England the issue is one of surveillance. Workers there are objecting to live streaming to management from cameras in all refuse lorries.
