

Prison workers in nationwide stoppage over attack on demonstrators

 [Spain](#)

The three main prison officer unions - FSC-CCOO, FeSPUGT and ACAIP - organised a 15-minute stoppage in 84 institutions across the country on 22 May in protest at the violence used against demonstrating prison guards earlier in the month. The three unions had coordinated a series of protests across the country to call for negotiations over pay and working conditions. The demonstrations were carried out peacefully but in Morón in southern Spain police used violence to break up the protest resulting in 20 injuries, including one very serious.
