

Public and private sector unions protest over pay and collective agreements

 [Slovenia](#)

The ZSSS trade union confederation and Pergam public service federation have called a national demonstration in Ljubljana for 5 December with demands to protect and respect collective agreements, for higher pay and an increase in the minimum wage. In the meantime, negotiations continue over pay in the public sector. Three public sector unions look to have settled with the government but as many as 20 other unions are still considering the latest offer. If negotiations break down then the unions are expected to take strike action on 5 December.
