

# **General strike is strongly supported**

## [Belgium](#)

The general strike on 13 February called by the three trade union confederations was strongly supported across the country. One of the main aims of the strike was to put pressure on the employers to come up with a better pay offer in the national cross-sector negotiations. However, the unions had a broader list of demands that also covered young workers, equality, pensions, public services, poverty and tax justice.
