

Fighting for tax justice - sixth Congress briefing

(1 March 2019) This sixth Congress briefing explains how a fair, progressive, transparent and effective tax system is crucial for sound public finances, quality public services and redistribution of wealth and income. EPSU has been campaigning hard to tackle tax evasion and avoidance by large companies and wealthy individuals and we are determined to continue the fight for tax justice. This briefing highlights some of our main campaigning, lobbying and research work in recent years and the main issues that EPSU needs to address over the next Congress period.

The next two will cover:

- Climate Change
- EPSU
