

Ministry of Justice workers to strike

 [Italy](#)

The Fp Cgil, Cisl Fp and Uil Pa public service trade unions are organising strike action in the Ministry of Justice on 28 June. The unions say that the action is necessary to force the government to act to address massive staff shortages. By 2021 the Ministry will face a 50% staff shortfall, compounded by an ageing workforce. The unions also say that the situation is not helped by the fact that justice workers are among the worst paid in the public sector.
