The younion and GÖD public service unions have successfully negotiated a new pay settlement for the public sector after four rounds of negotiations. The main increase in pay will be 2.25% from 1 January 2020 but with a minimum guaranteed increase of EUR 50 a month this will mean 3.05% for the lowest paid. Other payments and allowances will increase by 2.3%. This is above the 1.7% inflation rate used as a basis of the negotiations and ahead of the current inflation rate of 1.13%.
