

Culture workers to take action

[Spain](#)

The FSC-CCOO public services federation is organising a series of two-hour strikes in state museums and theatres in October and November. The union is protesting against the fact that workers in the sector are not properly covered by the collective agreement for the state sector. In particular, the union wants to ensure professional status for these workers and reduce the extent of temporary contracts. The strikes will begin on 25 October and will take place on 10 different dates up to 24 November with specific dates for different institutions.
