

Childcare workers take action over pay, safety and staffing

 [Belgium](#)

Several unions representing workers in early years education came together on 5 May in a day of strike action and a demonstration in Brussels. Workers are angry about the impact of the pandemic on the sector and the failure of the authorities in the Wallonia and Brussels regions to address their concerns. The unions were also demanding a revaluation of pay in the sector and a range of other measures to deal with staffing issues, leave, contracts and increased public funding.
