

Unions celebrate massive turnout for waste sector strike

 [Italy](#)

The Fp-Cgil, Fit-Cisl, Ultrasporti and Fiadel trade union federations report very high levels of support for the national strike action in the waste sector on 8 November. They estimate overall that 90% of workers joined the strike with 100% coverage in some areas. The trade unions are determined to retain and renew the sector agreement and to incorporate a range of improvements. They want to ensure the agreement covers the whole sector including recycling plants and they are calling for action on safety, training, job classification and to ensure real increases in pay and other benefits.
