

# **Massive national demonstration over pay and cost of living**

 [Belgium](#)

Over 80,000 people joined the national demonstration in Brussels on 20 June organised by the three main trade union confederations [FGTB/ABVV](#), [CSC/ACV](#), [CGLSB/ACLVB](#). The unions want to see a change to the legal framework that imposes limits on the cross-sector pay negotiations and leaves trade unions with little room to bargain on top of the indexation system. [EPSU's](#) Belgian affiliates all joined the march, along with EPSU staff.
