## [Portugal](#)

The [SINTAP](#) public service union has signed an agreement with the government that will see pay increase by €52.11 a month in each of the years 2023 to 2026. The agreement also includes an increase in the food allowance and a range of pay improvements for selected occupations as well as commitments on career development. Meanwhile, the [STAL](#) local government union and other unions in the Frente Comum are planning a national strike on 18 November as they believe the proposed pay increases are inadequate.
