

Confederations in joint national protest over cost of living

 [Bulgaria](#)

The [CITUB](#) and [Podkrepa](#) trade union confederations will come together in a national protest on 11 November. The union organisations are calling for action to protect purchasing power through higher pay and an increase in the national minimum wage. They have also called for a 15% pay rise for public sector workers. EPSU and the PSI board meeting in Geneva sent messages of support.
