

Unions reports high turnout in water and waste strikes

 [Portugal](#)

The STAL trade union is pleased at the high turnout of workers for the strike action on 13 December in the [AdP](#) water company and the two-day action on 9-10 December in the [Tratolixo](#) company that provides services to the municipalities of Cascais, Mafra, Oeiras and Sintra. At AdP the union is calling for a €120-a-month increase for all workers and a minimum wage of €900 a month in the face of the employer's offer of an increase of only 1.2%. At Tratolixo the main demand is for a €100-a-month increase. In both cases the union is pushing for proper negotiations and implementation of a collective agreement.
