

Training on digitalisation and collective bargaining

Europe

EPSU is part of a project – Our digital future – run by PSI which is offering training on digitalisation and collective bargaining in three afternoon sessions on 26 January and 2 and 9 February. The sessions will cover new tools developed as part of the project including a digital bargaining hub with information from collective agreements, a guide to negotiating data rights and an online tool on co-governing algorithmic systems. EPSU and PSI affiliates can register [here](#) before 5 January 2023. For further information contact Richard Pond - rpond@epsu.org. The ETUI and ETUC are also organising a workshop on implementing the cross-sector agreement on digitalisation. There will be two online morning sessions on 13 and 14 February 2023. Currently the main languages on offer are English, French and Bulgarian but a fourth language might be available depending on demand. There will be a maximum of 30 participants. Registration is [here](#) by 3 February at the latest. There will be a €10 charge for participation. For further information contact Carine Boon - cboon@etui.org - or Valerica Dumitrescu - vdumitrescu@etui.org.
