

Mediation delivers pay rise in non-profit social care

[Norway](#)

Trade unions, including [Fagforbundet](#), have secured a new agreement covering a range of services in the non-profit social care sector following two days of mediation. Workers will get a pay increase of at least NOK 7800 (€710) backdated to 1 May 2022 and there will be a new pay table that, over the long term, will provide equal treatment for employees on the basis of education and experience and a boost in the minimum wage rates for many. There will also be improvements to allowances for unsocial hours. The agreement applies to employees in a range of non-profit organisations in child and other welfare services.
