

Unions on strike alert as government threatens austerity

 [Czech Republic](#)

EPSU affiliates and other trade unions in the [CMKOS](#) confederation are on strike alert in response to a range of government proposals to consolidate public finances that pose a threat to public employees but also to tax allowances and other benefits for all workers. A potential 2% cut in staff costs in the public sector could have major consequences for pay and jobs with inflation reaching 30% over two years and so far no pay rise for public service workers this year. Public sector unions, including [OSSOO](#) and [OSZSP](#), have expressed concern over the failure of the government to engage in social dialogue and to push through major changes in legislation with extremely limited consultation.
