

Call for better pay offer or better employment conditions

 [Austria](#)

The vida trade union is demanding an improved pay offer for the 15,000 employees in private and non-profit health institutions. The union says that the current offer of 0.9% does not recognise the contribution made by employees but vida also wants to see improvements to employment conditions. It says that employers make excessive demands on employees both at work and being on-call and that there needs to be a much firmer arrangements for employees' working time and time off.
