

# Unions welcome positive bargaining result for 2008

 [Austria](#)

The public sector unions GÖD and GDG have welcomed the 2.7% pay increase for 2008 as one of the best for several years. The increase on pay and other allowances will translate into an average increase in earnings of 3.3% across the public sector, with the lower pay getting around 3.8%. Workers will also receive a lump sum payment of €175.
