

Nurses maintain strike action over 35-hour week

 [Portugal](#)

(August 2016) Following their national action at the end of July (see last issue of epsucob@NEWS), nurses in the SEP trade union have been involved in a series of strikes at different hospitals around the country. Strikes at Barlavento Algarvio, Faro hospital and other institutions took place in the first half of the month and more are to follow with a five-day action planned at Tondela-Viseu in central Portugal.
