

Government confirms CZK 1500 increase across public sector

 [Czech Republic](#)

The government has confirmed the pay increase for public sector workers that was negotiated in September. There will be a flat rate CZK 1500 (EUR 59) increase per year, meaning on average a 7% increase. However, the government has also confirmed that it will abolish the pay table for lower paid staff. These include non-teaching staff in regional education, culture staff, secondary professions in social services and non-medical professions in hospitals. These will be transferred to another pay system meaning a additional increase of 3.5%. The increases take effect in January.
