

# **Electricity Social Partners Work Programme**

## **Published 2004**

European electricity employers and trade unions adopt workprogramme for 2004. The electricity trade unions and the employers (Eurelectric) adopted the workprogramme for 2004 during the last plenary meeting of the sectoral social dialogue committee 19 December 2003. Issues are equality, security of supply, corporate social responsibility amongst others. The meeting also included representatives of new member states from Czech Republic, Hungary, Latvia, Slovakia and Slovenia.
