

Prison unions organise demonstrations across the country over violent attack

 [Spain](#)

Prison unions, ACAIP, FeSP-UGT and FSC-CCOO, organised lunchtime protests outside every prison service establishment on 20 March. They were reacting to the knife attack on a member of staff at the Soto del Real prison in Madrid. The unions argue that prison service management is failing to take adequate action to tackle increasing violence across the service, noting that the prison service has been condemned by the Central Labour Inspectorate for failing to properly apply occupational health legislation.
