

Firefighters in national protest over pay, safety and jobs

 [Italy](#)

The three main firefighter unions - FP CGIL VVF, FNS CISL and UIL PA VVF - organised a day of protests and strike action on 15 November with a range of demands. They want to see the work of firefighters properly recognised in terms of both pay and social protection. They also want action on health and safety, particularly in relation to the occupational risks and diseases they face. The unions want the government to ensure adequate funding not just for the renewal of the collective agreement but also to boost recruitment. Further action was planned for 21 November.
