

Young workers building EPSU

[Europe](#)

Members of EPSU's young workers' network were active at the federation's Quality Employment conference last week, chairing debates and putting together a panel to discuss the key issues they are trying to address. Zahra Yusifli from Azerbaijan and Sven De Guise from Belgium chaired the discussions on digitalisation and low pay, while Zahra was also involved in the young workers' panel with Joe O'Connor from Ireland and Judit Zsigo from Hungary. They underlined the need for trade unions to look at how they communicated with young workers and what they were doing not just recruit them but also to get young workers active in the union. This meant thinking about new ways to use social media and adapting union structures.
