

Childcare workers mobilise over pension age increase

 [Croatia](#)

The SOMK education, culture and media union organised demonstrations in Zagreb and Rijeka to protest against plans to raise the retirement age for childcare workers from 65 to 67. The union argues that the change fails to recognise the nature of work in the sector and the increasing mental and physical demands made on childcare workers. EPSU sent a message of solidarity as did the BDDSz childcare workers from Hungary.
