HOSPEEM-EPSU Third Regional Workshop in Central Europe, 11 September 2020, Zagreb, Croatia - POSTPONED - Spring 2021

UPDATE: JULY 2020 -

After a further assessment of the current situation, and in light of the continuing and unpredictable travel restrictions, the HOSPEEM and EPSU Presidency are in agreement that we have had to face the fact that we will have to cancel the **Strengthening Social Dialogue in the Hospital Sector in the East, South and Central Europe** event in Zagreb scheduled for 11th September.

However, as we feel it is important that we are able to meet in person for this event, we are proposing to re-schedule the Workshop 3 for a date (to be confirmed) hopefully around mid to late April 2021. We sincerely hope that you will be able to join us at this time instead.

While a number of different options have been considered, and we are disappointed not to be able to meet in September, it was felt that this is the safest decision for all.

We will keep you fully updated with the further details as things progress.

The third Regional Workshop of the HOSPEEM–EPSU joint project "**Strengthening Social Dialogue in the Hospital Sector in the East, South and Central Europe**", will take place on 11 September 2020 in Zagreb, Croatia.

The **geographical focus** of this second workshop is on Southern Europe, specifically targeted at **Croatia, Czechia, Slovakia and Slovenia**. The event aims to gather EPSU affiliates and HOSPEEM members as well as representatives from trade unions and employers from the four targeted countries and from beyond as well as academia. HOSPEEM and EPSU members from other EU Member States are invited to participate to share their experiences.
