

Firefighters' unions organise protest over pay and conditions

 [Portugal](#)

The STAL and STML trade unions that represent firefighters organised a national protest in Lisbon on 3 December to challenge the government over changes to the statutes that regulate pay and conditions in the sector. The trade unions had already registered their anger with the government over its failure to negotiate with them. The government did agree to meet the unions but they rejected its proposals for change because they threatened to undermine firefighters' pay, pensions and career progression.
