

# **Confederations commit to mobilise against government budget plan**

 [Italy](#)

The three main trade union confederations - CGIL, CSIL and UIL - are united in rejecting the government budget which they regard as wrong and short-sighted, failing to provide resources for growth, development and investment. The confederations are committed to mobilise against the plans with a national demonstration planned for later this month. They point out that the budget fails to provide the necessary investment in social infrastructure, particularly in health and education, and with inadequate provisions to cover the renewal of collective agreements for public sector workers and a continuing block on public sector recruitment.
