

[Call for boost to childcare funding and better pay for workers](#)

 [Ireland](#)

The IMPACT and SIPTU trade unions are working hard to push childcare up the political agenda. IMPACT has just submitted a call for a major increase in childcare funding with an extra €125 million this year and €625 million over the next five years. The union wants to see the introduction of an agreed salary scale as an important contribution to the professionalisation of the sector. SIPTU is putting across similar demands in its Big Start campaign.
