

# **Union celebrates success in influencing pre-school curriculum**

 [Sweden](#)

The Kommunal municipal workers' union is celebrating a successful mobilisation of workers to secure changes to the pre-school curriculum. The first draft of the curriculum had nothing to say about the role of childcare workers and so Kommunal used its influence on the ministry of education while its members ensured that childcare workers were the biggest group providing input into the curriculum consultation. The revised curriculum now acknowledges the key role of childcare workers and is seen by the union as an important step in furthering the professional status of the occupation.
