

# **Court victory for dismissed care workers**

 [Germany](#)

On 17 October the Labour Court in Nordhausen in central Germany ruled that two employees of the Celenus social care company had been unfairly dismissed for trade union activity and should be reinstated. Carmen Laue and Heike Schmidt, members of the ver.di service union, were summarily sacked in April for distributing leaflets as part of a long-running, and continuing campaign for better pay at Celenus which is part of the Orpea social care multinational. EPSU and its affiliates from France, Austria, Belgium, Italy and Spain that also organise in Orpea sent messages of support.
