

# **Health union continues protests over pay and bonuses**

 [Romania](#)

Members of the Sanitas health and social care union joined protests in 14 cities around the country on 20 March as part of the union's continuing campaign over pay and bonuses. Sanitas is trying to ensure that all workers in the health and social services sector get the pay rise they are entitled to and it also wants to see limits on bonuses lifted. Further actions are planned if the government doesn't come up with concrete proposals.
