

Update situation in Ukraine - unions united in rejection of labour reform

(Brussels, 17 January 2020) The All-Ukrainian trade union Forum, the body that has representatives of more than 60 thousand primary trade union organisations, mandated by five million trade union members, is calling for a wide range of actions. It will also organise an action day on 30 January. Attached is the resolution adopted by the unions. Many unions from Albania and Armenia to Russia, Spain, Sweden and the UK have sent letters of protest to the government. EPSU calls on the affiliates to support the protest actions.
