

Brussels

27 February 2020

# **FESE and EPSU European Thematic 2nd Technical Seminar on Diversity and Mobility**

The purpose of this event is to discuss and exchange experiences on how to ensure diversity in the workplace, especially regarding gender and age, and how to handle mobility and migration, ensuring ethical recruitment across borders.

The event will also:-

- Identify main challenges linked to diversity and managing mobility and migration of the workforce in the sector
- Develop possible solutions and ideas for action, reflect on the role of social partners at national and EU level and explore further cooperation between them
- Discuss which national and EU policies are needed to build diversity and to manage mobility in the sector
