

EQUAL PAY QUESTIONNAIRE - URGENT

[Europe](#)

All EPSU affiliates are being urged to reply to the questionnaire on equal pay that was sent out earlier this year. This is a vital issue for EPSU with two resolutions passed on the subject at last year's Congress. So far we have had 23 responses from 16 countries (Armenia, Austria, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Moldova, Netherlands, Norway, Romania, Slovakia, Sweden and the UK), but not necessarily from all sectors in these countries. This means we have a long way to go before getting a comprehensive picture of pay inequality and action to close the gender pay gap in the public services.
