

## **Union calls for boycott in support of sacked care worker**

 [Switzerland](#)

The vpod public services union is supporting a migrant worker who was sacked by the Spitex Perspecta care company. Bozena Domanska is a Polish care worker who appeared in a TV documentary exposing the issue of inadequate pay for 24-hour working in the care sector. Although the company was not mentioned in the TV programme, it still decided to sack Bozena. The vpod is supporting Bozena in a claim for unfair dismissal and is calling for a boycott of Perspecta if they don't reinstate her.
