

## **Union negotiates agreement with private care firm**

 [Denmark](#)

The FOA public services union has negotiated an agreement with the Tryghedsplejen private social care company that works in around 40 municipalities. The agreement will cover pay as well as other conditions such as holidays and maternity provisions and guarantees an hourly rate of DKK 142.46 (€19). The union believes this is an important step in improving pay and conditions in the sector and the company also sees this as a positive move to ensuring quality employment and quality of care.
