

Union runs competition on equal pay

 [Sweden](#)

The Kommunal local government union is running a campaign where each month members can win SEK 4500 (€450). The amount is the equivalent of the gender pay gap. The special "man's salary" website has lots of photos of men with a gap where people can add in the face. A jury, including EPSU President and Kommunal general secretary, Annelie Nordström will decide on the best photo, transforming a woman into a man.
