

Unions secure regional agreement covering private health

 [Spain](#)

The CCOO and UGT trade unions have managed to negotiate a collective agreement covering private health care in the Leon province despite initial attempts by the employers to reduce workers' pay and conditions. The agreement runs until 31 December 2016 and includes a 0.5% pay increase this year and 0.8% next year. Working time is being reduced with a 25 hours cut over the year to 1800 hours.
