

Update on TTIP and public services!

(1 August 2014, Brussels) Please find below a short update regarding developments with the EU- US trade negotiations (TTIP), with a focus on public services issues and also including some points on the EU- Canada (CETA) and the plurilateral services (TiSA) negotiations.

The note covers also some recent meetings, including exchanges with the European Commission and a joint workshop organised in June with the European Social Platform, Solidar and the European Public Health Alliance (EPHA). The update is also on our website with other information on TTIP etc at www.epsu.org.

Please note that EPSU is also planning to organise a further workshop on trade and public services in the 2nd half of the year. More details on this to follow soon.
